# Rowan Baptist Association

## Fifty-Fourth Annual Session

1920

Held With The
NEW ZION BAPTIST CHURCH,
August 18, 19, and 20
Reidsville, N. C.

## HISTORICAL

The Rowan Baptist Association was organized in 1877 in a hospital at Salisbury, which was afterwards purchased by the Baptist there and was organized in the Dixonville Baptist Church. Rev. Harry Cowan, Rev. Z. Haughton and Rev. Combe Ellis were the ministers present in the organization.

The following persons have served the Association as Moderator: Rev. Harry Cowan first Moderator; then Revs. Z. Haughton, John Washington, Grove Crowell, Geo. Bowers, Drs. J. O. Crosby, P. S. Lewis, C. C. Somerville, C. L. Davis, G. W. Johnson, Dr. G. O. Bullock at present Rev. J. T. Hairston.

There were three churches in the organization and except Dixonville in the hospital as stated, the other two worshipped under brush arbors. At the Association in Reidsville this year eighty churches were represented with a membership of twenty-five thousand dollars. Total pastor's salary is four hundred and seventy-five dollars to the pastor; church property averages five thousand and five hundred dollars to the church.

## MODERATORS ADDRESS

---

# THE MODERATOR'S ANNUAL ADDRESS OF THE ROWAN BAPTIST ASSOCIATION DELIVERED AT REIDSVILLE, N. C., AUG., 18, 1920

Brother Moderator, Ministers and Delegates of this the Fifty-Fourth Session of the Rowan Baptist Association—Greeting:

It is with joy that I greet you to-day in my second attempt to deliver to you an annual message. Words cannot express my sincere gratitude to Almighty God for the many blessings he has bestoyed upon us—For the preservation of our lives amidst dangers seen and unseen, and has brought us face to face with each other again. Only a God of love and power could have preserved our souls and bodies and brought us to see this glorious day.

We have gathered here to-day in large numbers from all parts of our field to report our work, and as stewards of His manifold grace to tell how His work has prospered in our hands. We have also come up to this mount of privilege to get new inspiration and new aspiration to carry back to our different fields of labor and to attempt greater things for God and His Kingdom. Let us pray that our coming may not be in vain.

Since we assembled in our last annual meeting many have been our conflicts, troubles and perhaps disappointments, but our gracious Lord did not fail us; but stood by and fought our battles for us and brought us out more than conquerers.

During the past year our hearts have been saddened by the visitation of the grim monster—death, who, like an intruder, has broken in upon us and has taken from our ranks some of our most loyal and substantial members, both in itellect and in character. We feel keenly their loss to us. I speak of Dr. P. S. Lewis, who was the honored and beloved pastor of the First Baptist church of Charlotte, President of our State Convention and a member of the executive board of this Convention. And again of Deacon J. H. Owens of the Zion Baptist Church of this city (this church) who for a number of years, and even at the time of his death was the trustworthy Treasurer of this Association. And Dr. J. E. Dellinger one of our best physicians and an uncompromising Baptist. And also Dr. J. W. Faulk, one of our most

noted evangelists and pastors, who at the time of his death, was pastor of one of the strongest churches in our Association, the Ebernezer Baptist church of Charlotte.

These brethren were present with us in the last sitting of our Association; but to-day their places are vacant and their voices cannot be heard. We join with the poet in saying

Not long ago they filled their places,
And sat with us to learn,
But now they have run their mortal race,
And never can return.
Perhaps our time may be as short,
Our days may fly as fast,
O! Lord impress this solemn thought,
For this may be our last."

We can but bow to the will of our blessed Savior who doeth all things well. Our loss is Heaven's gain. Earth has been saddened by their going, but Heaven has been made happier.

"Sleep on beloved, sleep and take thy rest,
Lay down thy head upon thy Saviors breast,
We loved thee well, but Jesus loved thee best,
Good-night! Good-night! Good-night!"

We have had the pleasure of visiting several of our Churches during this Associational year to see how the brethren were succeeding with the work committed to their care, and to give what encouragement and help we could. We were delighted to find things moving on at an even gait. In almost every case, there seemed to have been a most harmonious spirit existing among pastors, officers and members. All signs pointed toward progress. The field is large, hence we could by no means get over the entire field in one year; but as far as we are able to go we were very cordially received and accorded every kindness possible.

Be it said to the credit of our Association, that our churches are being pastored by some of the strongest ministers of our race, men who stand for intelligence, consecration and ministerial dignity. We also have a host of consecrated men and women who stand by and support their pastors and say to them, we are willing to follow you, as you follow Jesus. We congratulate ourselves on being the recipients of two new ministers, who have been called to take charge of two of our best churches. I refer to Rev. Dr. Mitchell, who is called to the pastorate of the First Baptist church of Charlote, to fill the place left vacant by the death of our dear Dr. P. S. Lewis. Also of Dr. Phillips of South Carolina who is to take charge of the Shiloh Baptist church of

Winston-Salem. He succeeds Rev. J. A. Lewis, who was called to the First Baptist Church of Edenton N. C. These brethren come to us well prepared and highly recommended from their respective states and fields. We hope for them a pleasant and successful sojourn with us. We wish to assure these brethren that the doors of our hearts, our homes and our churches are thrown open to them, and whatever we can do to make their stay a pleasant one, they have but to call upon us. Brethren, feel at home for we, one and all extend to you a most cordial welcome. We ask that you fall into line and help us push the battle to the gate.

To the officers, members and friends of this Association I wish to say that we have by no means accomplished all that we had hoped to accomplish, during the past year; yet we have made some progress above other years, (along some lines.)

At the close of the great Lott Carey Convention at Washington, D. C., last year it was found that our Association had contributed the largest amount of money for education and foreign missions of any Association in the State. This should inspire us to go forward this year to do more for the Master. We have the men and means—Why not carry off the banner again this year?

We need to enlarge our horizen to get a broader vision of the task of the Christian church, and marching under the banner of the Son of God, go forth and fill this world with a knowlege of the glory of God as the waters cover the great deep.

As soldiers of Christ, let is rise
And gird our armor on,
Strong in the strength which God supplies.
Through His eternal Son.
Ne'er think the victory won
Nor lay thine armor down,
Thy ardous work will not be done,
Till thou obtain the crown.

This is a day in which we should show our Christian manhood. Let us stand up in defense of the right. Condemn the wrong. Let the enemies of the cross know that we are no coward soldiers. With Jesus Christ as our great general and captain, we must take this world for God, and for His Kingdom. Be not dismayed, but courageous—faint not, nor lose faith in God. If God be for us and his banner o'er us, we'll sing the victors song at last. We often hear the expression that the world is not growing better, but worse, whether this is true or not true, we must all admit that the Christian church is up against it, and that the fight is on. We are face to face in stern array, with armor gleaming and

colors streaming, the right and wrong engage to-day. But let us fight the battle to a finish. Shall the Christian church remain quiet, while the devil and his hosts, are invading her territory and capturing by the wholesale some of her valuable asset? Shall the church not cry aloud, lift up her voice like a mighty trumpet, and show the people their transgression, and the house of Jacob their sin? The dance craze, the moving picture shows (especially the vaudeville), the auto excursion, night hay rides, and numerous games for amusement, which are not necessarily evil in themselves; but have been taken over by satan to attempt to defeat and to destroy the power and influence of the Christian church. These worldly attractions seem to have a stronger pull upon the masses of the people than the church services, in that they carry by far the largest crowds. The spiritual life of the church is threatened and its progress is being checked by these invaders. Now is the time for theC hristian army to rise up in the strength of God and in the power of His might and forbid the invasion of satan and his hosts upon the Lord's territory. We cannot afford to hold our peace at such a time as this.

The world seems to be turned upside down. There is a general feeling of unrest everywhere. Conditions are unsettled and we believe that only God can settle them. The men, the great men of the Nations, have tried by peace treaty, League of Nations and Conference after Conference to settle matters; but still this old world is in a terrible fix. What the world needs is a new birth. So what we would ask is that God be given a chance and we are sure he can bring things around all right. Let the servants of God both ministers and laymen awake from their slumbering, be on the alert looking after the interest of God's Kingdom which he has committed to their care. Preach, work, pray until God comes and takes charge of the affairs and brings right and justice, Law and Order.

Now is the time to earnestly contend for that faith which was once delivered to the Saints.

We shall now speak of the objects of our Association and denomination. The Baptist like other denominations are endeavoring to do big things for the Master. They realize that to do things on a big scale they must attempt great things. Therefore, North Carolina Baptists are endeavoring this year put over a One Hundred Fifty Thousand dollar drive, with which to carry forward our Home and Foreign Mission work. This is a small sum for which to ask when we consider our numerical strength. Some denominations with a much smaller membership are at-

tempting to raise much larger amounts, yet we feel with this amount each year, for the next five years our working force shall be able to accomplish much in Christianizing and civilizing our people both at home and on the foreign fields. Every Baptist of the State should be proud of this effort on the part of our denominationn, which if successful will do much toward spreading the gospel throughout the world.

The Rowan Baptist Association has fallen in line with the other Associations and Conventions of the State, and is determined to do her part in raising this amount. It will be a reflection upon the 225,000 Negro Baptists of North Carolina if they fail to raise this sum.

Our Association has pledged itself to raise ($5,000) on the State drive, (for home and Foreign Missions) ($5,000) for the Orphan Home, at Winston-Salem and ($10,000) for our Association school. With the cooperation of the pastors and officers of the various Churches composing our Association, this amount can be easily raised without straining any member. We have found that the members of our churches are always glad to contribute to any worthy cause when the pastors and officers will explain the object and lead off. We, therefore, appeal to the pastors and officers of the churches composing this Association to put forth your best efforts that we may not fall one dollar short in raising the above named amounts, for the objects mentioned. If we have not already come up with the required amounts let us on our return from the meeting get busy and raise it and send it in, that we may be able to make a full report at the close this Conventional year.

One of the greatest needs of this age is religious training of our youth. The boy of to-day is the man of to-morrow, and the kind of man he will be depends largely upon his training. It was the idea that prompted our Association to purchase the most beautiful site of 50 acres of land near Statesville, N. C., upon which to erect a school for the religious training of our young men and women. Every cent has been paid on this land and it has been deeded to the Rowan Baptist Association. We need now to turn our efforts toward the erection of buildings, and getting the school in operation. Our plan is, that this school be a feeder for Shaw University, our great denominational school at Raleigh. A school which we feel is one of the best in the country—A school which has done much toward establishing and strengthening the Baptist forces in this State and many other States, and upon foreign fields. This school was founded by the venerable

Dr. H. M. Tupper who came to Raleigh from his home in the North more than fifty years ago, and set about to establish a school for the training of colored young men (or men) for the ministry and Missionaries to their people, just then delivered from slavery. God bless his labors and crown them with abundant success. Dr. Tupper now rests from his labors, but his works do follow him. This is manifested in the lives of the consecrated men and women who have gone out from this Institution. In behalf of them two schools, I urge that we give them our unstinted support.

And now again I call your attention to our duty to Home and Foreign Missions, Africa and Haiti, with their teeming millions of people groping in sin and ignorance, dark as the night, with no blessed Bible to give them the light. Pity them, pity them Christians of home haste with the bread of life, they say, hasten and come. We ask that you renew your allegience to the cause of Missions. Let us go to the rescue of Missionaries, and see to it that they have comfortable quarters in which to carry on their work. The Union Reformer our State paper and mouthpiece for the race and denomination should receive our financial support. If it is not what we should like it to be, get behind it with our money and make it what it ought to be. Don't kill it with criticism.

The Western District Sunday School Convention should be supported by all the Sunday Schools within the bounds of this Association and most especially the Sunday Schools of the churches of this Association. This will by no means affect your relationship with the State Sunday School Convention; but would rather prove a help to both. We again urge that each Sunday School within the bounds of this Association represent in the Western District Sunday School Convention. Prof. F. M. Fitch the newly elected President is a man of intelligence, of a strong Christian character and possessed with the power of vision. With your co-operation and under his leadership we may expect great good to be accomplished by this Convention.

I must not conclude without calling your attention to the Woman's Auxiliary to this Association. Our women under the leadership of their very efficient president Mrs. Fannie B. Mason are doing a remakable work in stimulating and inspiring the spirit of Missions in our churches. They are raising money and contributing largely to all the objects of our Association. They need your help and encouragement that they might be able to accomplish even greater things. This Auxiliary is a child of our Associa-

tion, and can only live and grow as we give to it our support. Pastors, and officers of this Association see to it, that your women represent in the Auxiliary. You owe it to yourself and to this band of consecrated women to meet them next year at Wilkesboro and help make that a great meeting.

I have no further recommendations to offer but in concluding I wish to offer a few suggestions:

First, That we as soon as possible put up school buildings on our new site at Statesville, and that we urge the other Association in the west to consolidate with us and let us make one good school in this part of the State.

Second, That each church belonging to our Association keep tab of all moneys donated to the different objects, so that at our annual meetings we can get a correct record of the money raised by our churches each year.

Third, That in case we have failed at this meeting in raising the amount pledged for the different objects, that we continue the drive until the meeting of our State Convention in November and send it to the proper source for each object designated in the pledge.

Fourth, That we remain loyal to all that the Baptist brotherhood stands for, their Schools, Orphanages, their Baptist Paper, Missionary cause and their Conventions.

Finally may love, peace and harmony prevail among us throughout this sitting is the desire and prayer of your humble Moderator.

J. T. Hairston.

He said he had a very unpopular subject for the children of the world will love the things of the world, and the children of the spirit will love the things of the spirit. He also said questionable amusements in which was found some

good and some bad should be denounced because of the bad. The church should take a firm stand for that which was good and best. The church that is slack will soon find it has lost its grip on our young people.

Prof. E. E. Curtright in his discussion of the same subject said the church can not do effective work by always condemming, but should seek to control and remedy whatever is wrong. The church should train and teach before condemning. His remarks were directed to games. Rev. H. M. Ellis spoke on dancing, he had no compromise to make, he was against all forms of wrong. He was proud to live in this priod. He would not change this time of living for any other time.

This is a large day in which we are allowed to live to carry out the principles of our Christ. I account it a privilege in when we have to live to carry out the princips of the Baptist which is Democracy, freedom for all the people. He said he thought we were living in the age of which it proficied it shall come to pass in the last

age. He shall pour out his spirit on all flesh and there is before us the fact about 65 out of every 100 that are Baptist. Therefore we are responsible to God for a great work. And if we fail, God will raise up others to put over the plan. We should not boast against the main branches for God is able to cut us off. He said as to the school proposition we might as well face the facts as they are. The kind of school that we are talking about to keep pace with the age will require ten thousand dollars per year. We need some well equipped high schools and academies to meet the demands of our forces, and with the two hundred thousand strong we can and should put it over. God and us we can put it over and I have the vision. Dr. Watkins address was full of thought. He said the situation was in the ministers hands. He said the next text he wished to leave with us is what shall I render unto the Lord for all His benefits toward me. God expects us to put it over for Him, pray for me that God may give me uterance. ## REPORT OF COMMITTEE ON RESOLUTIONS

We your Committee on Resolutions respectfully submitt to you our report:

1. It is a positive fact since the times of Christ new conditions have developed and brought about evils, and since that is a fact

and that there is nothing in the Scripture bearing directly upon them there has developed difference of opinion. And whereas, it is necessary for church unity and colidarity to have a monotany of doctrine.

Be it resolved that we henceforth resist to discussion these evils in public meetings, and that the ministers of the Western North Carolina Union get together and thrash out the subject, reach a different conclusion and present from their pulpits and in our Associations and Auxiliarys their opinion.

2. Since it is a fact that we have men applying for Ordination, whose competency is not up to the Standard and no desire to obtain proper literary training.

Be it resolved, that an intelligent Standard be set for all Ordinations and that the Ordination Council of this Association be strictly adhered to.

3. The Union Reformer our Baptist State paper should be read by all the members of our churches.

Resolve that we give it our hearty support and urge each member in the bounds of our Association to subscribe for the paper.

4. That since it is a hard matter to get an accurate report from our Associational field

Be it resolved that we urge each church to send up all monies raised for Missions and Education to the Association, the same to be sent direct to the objects designated.

5. The Rowan Baptist Association having met in the New Zion Baptist Church of Reidsville, N. C., August 18-19 and 20, with the distinquished pastor Rev. J. W. Croom and people having entertained us so cordially and elaborately

Be it resolved, that a standing vote of thanks be extended to them for their hospitality and that we express our further appreciation to the other churches of the city who helped to make our stay here pleasant, and we pray the blesings of the great "I Am" to ever abide with this pastor and people.

Respectfully submitted.

## JOURNAL OF DAILY PROCEEDINGS

### WEDNESDAY EVENING, 8:00-8:30

Song service by Orchestra

Praise service by Sisters M. Ward and others.

Welcome address on behalf of church—Mr. Frank Brown.

Welcome address on behalf of Missions—Mrs. L. Thacker.

Welcome address on behalf of City—Mayor.

The Mayor couldn't be present but sent Lawyer Parker in his stead. who was fittingly introduced by Mr. F. M. Fitch, who in his introduction paid a glorious tribute to noble woman-hood in this work.

Lawyer Parker came forward and made a very impressive speech. He said that in the future his race intended to cooperate more closely with the colored race, in order to help evangelize the world. He further said that while this city was the largest in population it also contained more vice, and he hoped that by our meeting here, our influence would be so great that Winston would be made better for our being here and said whenever we wanted to return we had a warm welcome.

The addresse were responded to by sister Beula Hester. She very pleasantly told why the Auxiliary accepted the welcome from the Church Mission Society and from the City.

Solo—Mrs. Bertha Scarborough.

Annual lesson—Matt. 5:1-12, read by Rev. A. H. Lewis.

Rev. Ellis's text was taken from 1st Chron. 29 Chapter 5th verse. Subject self-consecration. In his sermon he most earnestly plead for consecrated men and women to carry on this work. He said one cannot work for God unless he be consecrated to God. It was a sermon long to be remembered.

Collection for Missions—$28.00.

Adjournment.

THURSDAY MORNING, 9:00-9:30.

Praise service led by sisters Bevel, Hasty and Pearl Collins.

Scripture lesson—105th Psalms.

After receiving copious showers from on high which made us all feel that it was good to be here. Rev. F. R. Mason led in special prayer for Consecration.

The meeting then changed and the Vice-President, sister H. M. Ellis took the chair.

New delegates and visitors were introduced, Rev. Horton was asked to speak for new delegation who spoke very encouragingly about the work done by the Auxiliary in the past. Rev. Alexander and Hamlin made very helpful remarks.

DISCUSSION—"The Auxiliary and its meaning." Sister Ada Glenn led the discussion, among the many good things she said was "The brethren seeing the harvest was so great and noticing the large attendance of the women to the Rowan Association decided to organize them as an Auxiliary to the Association that they might do a great work in helping them to foster Christ's Kingdom."

Sister C. Mason read a very inspiring paper on the same subject.

Sister Daisy Keck reminded us of the fact, that God speaks to individuals, inspires them to bring about things that are vital and essential.

Topic for general discusion was led by sister H. M. Ellis. She was as usual at her best and to my mind caused all present to think more seriously on the subject—"What can we do to enlarge the membership of the Auxiliary?"

Sister L. Thompson spoke inspiringly on the same subject.

Mrs. Towne's Spencer a charter member came forward

and spoke of her church work at home and said they were doing a great work. Rev. T. A. Harris of Greensboro Association was introduced and spoke encouragingly.

After announcements we adjourned.

Rev. Alexander had to leave so he left $1.00 for Orphan Home and $1.00 for education.

THURSDAY AFTERNOON, 2:00-2:30

Praise service led by sisters Hattie Cousin and Cora Hargrave.

DISCUSSION—"Is the world being made better by the lives of our young women?"

a. Religiously, Sister Jimmie Jennings she declared unto us in her well prepared paper that the world is being made better religiously by the lives of our young women who take Christ as their example and follow Him all the way.

b. SOCIALLY—Sister Pearl Davis, absent.

c. By Modern Fashions—Sister Addie Hairston. She spoke concerning the great number of our young women who lose their lives by dressing beyond their means, by shop-lifting in order to get what they are not able to buy. What sister Hairston didn't say on this subject, sister Fannie Mason finished up in grand style. When it was all finished up, we concluded that regardless of these modern fashions we would so dress so that our lives will make the world better.

Prof. F. M. Fitch was then introduced to the Auxiliary and made some interesting, subjective and helpful remarks. He emphasized the fact that we must teach our children to think right.

A very interesting and enjoyable program was rendered by a class of Orphan Home children under the supervision of Mrs. Hunter.

A collection of $16.01 was taken by Rev. O. J. Allen.

Adjournment.

It was moved and carried that the address be published in the Minutes.

On the suggestion of Rev. O. J. Allen, the Auxiliary gave the President the "Chautauqua Salute" as an appreciation of her fine address.

## SECRETARY'S REPORT

To the Auxiliary of the Rowan Baptist Association, Greetings:

It is again through the Providence of the Almighty God we are spared to meet together in this noble gathering.

I say noble, because it is a band of women whose hearts and efforts are one. All working and aiming at one great purpose. Namely to upbuild the Kingdom of Christ in the hearts of men, and women; to spread the good news of his birth, death and resurrection and the blessed truth of his second coming to gather his elect home.

Now sisters our special objects are to work to crush ignorance and superstition, to work Home and Foreign Missions. We know little about Home work we do. But my dear friends I do feel that we can do more at home than we have. Let us as women of this Auxiliary use economy in food, dress or what ever is required of us. Let us learn the old lesson of love and follow the golden rule, "Do unto others as ye would that they should do unto you."

We cannot give too much money to help send the Gospel to the heathen in Africa and Haiti, that they may learn of this Christ that we serve.

In Africa they are dying every minute every hour many thousands every year without Christ. Is it nothing to us? Let us think more earnestly on these things.

Now for the expense of our Auxiliary my correspondence has not been so much; but my heart has been aroused about the work in a special or peculiar way. I sent circular letters and programs best I could being handicapped with out a late minute.

Our Programme Committee held a meetig here in this our Twin-City in the month of much interest was shown For multigraph circular leters $3,80 for 300 programms $6.50. Mailing expense from my home $2.00 for programms and circular letters.

Dear sisters as never before let us be up and doing with a heart to any fate.

Still achieving still pursueing learn to labor as Auxiliary sisters and wait on the great God of the universe.

Respectfully submitted,
Mrs. Jimmie B. Jennings,
Corresponding Secretary.
Respectfully.

5. That card playing dancing, and questionable moving picture shows will not attract us and our children shall not attend such while under our jurisdiction.

That we teach our boys the true elements of manhood and guard

him against the so-called clubs that are only organized pool rooms and gambling dens that are carrying them down the roads of ruin. Ever teach them to have the highest regards for the women of his race and shield them from all danger as did the Knights of old.

Be it resolved that the members of this Auxiliary at some near future present the President a token for her loyalty to us.

Be it resolved that the President of each society set the last Sunday in each year before the Auxiliary meets for the Orphan Home rally and make a report to the Auxiliary.
